9. (Unclassified - DFM) BRIEFING Accompanied Evelyn Chavoor and David Shaw, Senate Select Committee on Intelligence staff, to a meeting with [redacted] Office of Security and [redacted] DDA/Records Admin., regarding an Office of Security request to destroy five categories of files. The Archivist of the U.S. has requested the Committee's view on this request before granting approval. Chavoor and Shaw were briefed on the types of files covered in this request and selected files from two of the categories for their review. These files were produced and examined by them. The sentiment of the two staff members seemed to be that they would recommend approval of the destruction request.
